ORDER :

In the G.O. 1st read above, a Committee of Group of Ministers have been constituted to suggest steps to be taken to encourage setting up of Non-conventional Energy Projects and measures to be taken to meet power requirements in the State.

In the Group of Ministers meeting held on 15.10.2012 during their discussions desired that the existing schemes i.e, Waste to Energy Projects to be reviewed by the department. It is also emerged that Municipal Administration & Urban Development Department needs to broaden the scope of Non-conventional Energy Projects from Solid Waste Management to other Natural Resources like Wind, Solar etc., this would be consistent with the discussions/ decisions held in APLA Estimates Committee meeting held last week on the urgency to take up power conservation by promoting Non-conventional Energy Schemes as one of the measures.

As per the discussions held in the Group of Ministers meeting dt.15.10.2012, the Government hereby nominate the Project Director, Andhra Pradesh Municipal Development Project, O/o. the Commissioner & Director of Municipal Administration, A.P., Hyderabad as Nodal Officer for Non-conventional Energy Projects and to review all the projects.

The Project Director, Andhra Pradesh Municipal Development Project, O/o. the Commissioner & Director of Municipal Administration, A.P., Hyderabad , is requested to take necessary action in the matter.
